Saying that it has always been this way, doesn't count as a legitimate justification to why it should stay that way. Teacher and administrators all over the world are doing amazing things, but some of the things we are still doing, despite all the new solutions, research and ideas out there is, to put it mildly, incredible.

by Judith Curry. The concern about sea level rise is driven primarily by projections of future sea level rise. Observed sea level rise over the last century has averaged about 8 inches, although local values may be substantially more or less based on local vertical land motion, land use, regional ocean circulations and tidal variations.

2070. Islam is the world's dominant religion. By 2070, Islam has overtaken Christianity to become the dominant religion.* More than a quarter of the world's population was Muslim by the 2020s* and this growth continued in subsequent decades. Most of the increase has occurred in sub-Saharan Africa with its high fertility rates, although these are beginning to stabilise now.

In the end of the 19th century a new type of antisemitism had begun to develop in Europe, the racial antisemitism. It has started as a part of a broader racist world view and belief of superiority of the "white race" over all other "races" while the already existing prejudice was also supported by pseudo-scientific theories such as Social Darwinism.
