Partita (also partie, partia, parthia, or parthie) was originally the name for a single-instrumental piece of music (16th and 17th centuries), but Johann Kuhnau (Thomaskantor until 1722) and his successor Johann Sebastian Bach used it for collections of musical pieces, as a synonym for dance suite (see Bach Suites).. Johann Sebastian Bach wrote two sets of partitas for different instruments.

The six partitas for keyboard are the last set of suites that Bach composed and the most technically demanding of the three. They were composed between 1725 and 1730 or 1731. As with the French and English Suites, the autograph manuscript of the Partitas is no longer extant.

Misc. Notes Because it was not available for consultation at the time, the editor of this score did not use Bach's autograph manuscript as a source for the Bach-Gesellschaft edition. The BG edition therefore contains occasional differences from the autograph.
