

a history of diplomacy pdf

Diplomacy is the art and practice of conducting negotiations between representatives of states. It usually refers to international diplomacy, the conduct of international relations through the intercession of professional diplomats with regard to a full range of topical issues. International treaties are usually negotiated by diplomats prior to endorsement by national politicians.

HISTORY UNITED STATES

In diplomacy and international relations, shuttle diplomacy is the action of an outside party in serving as an intermediary between (or among) principals in a dispute, without direct principal-to-principal contact. Originally and usually, the process entails successive travel ("shuttling") by the intermediary, from the working location of one principal, to that of another.
