

a mother s day pdf

Mother's Day is a celebration honoring the mother of the family, as well as motherhood, maternal bonds, and the influence of mothers in society. It is celebrated on various days in many parts of the world, most commonly in the months of March or May. It complements similar celebrations honoring family members, such as Father's Day, Siblings Day, and Grandparents Day.

Mother's Day - Wikipedia

A mother is the female parent of a child. Mothers are women who inhabit or perform the role of bearing some relation to their children, who may or may not be their biological offspring. Thus, dependent on the context, women can be considered mothers by virtue of having given birth, by raising their child(ren), supplying their ovum for fertilisation, or some combination thereof.

Reader's Comments () Author's Note: This is a story which embodies most of my fantasies; to be owned and humiliated by a mature woman would be heaven. Part 1 I had known from the word go that I could never completely satisfy her sexually; she was way above my league, a picture of feminine grace on the outside, and a virago on the inside.
