1. Introduction. In many areas of the developed world, modern hospital care is confronted by workforce challenges, changing consumer expectations and demands, financial constraints, increasing demands for access to care, mandates to improve patient-centered care, and issues regarding the levels of quality and safety of health care. 1 Effective governance is crucial to maximize the effective ...

4. Discussion. The responses under the theme "theory"practice integration" explicitly demonstrate that transfer of learning occurs because students can apply their knowledge and skills from training in the simulated work setting (Hutchins, Burke, & Berthelsen, 2010). Leigh (2008) describes simulation as the vehicle for translating classroom knowledge into a safe "clinical" learning ...
