Spiritualism is a religious movement based on the belief that the spirits of the dead exist and have both the ability and the inclination to communicate with the living. The afterlife, or the "spirit world", is seen by spiritualists, not as a static place, but as one in which spirits continue to evolve. These two beliefs "that contact with spirits is possible, and that spirits are more ...

A psychic is a person who claims to use extrasensory perception (ESP) to identify information hidden from the normal senses, particularly involving telepathy or clairvoyance, or who performs acts that are apparently inexplicable by natural laws. Although many people believe in psychic abilities, the scientific consensus is that there is no proof of the existence of such powers, and describe the ...
