

an easy course in pdf

For this tutorial I'm going to use an example course I've created "Creating Better Relationships with Your Pets" as a basis for the steps involved in creating our fillable pdf worksheets. I'm also going to be using this course as an example for several more posts in this series so stay tuned as we go through the process of creating all the materials for it.

An easier way would be to screenshot the page. You open the pdf to full screen and hit alt+prt sc. This copies the image to your clipboard. Then simple paste this into paint, there you can crop out what you don't want (unwanted text from the document) and save it as a picture. then just insert the pic into your new doc. Voila!
