The rate of participation of women in the Olympics has been increasing since their first participation in 1900. Some sports are uniquely for women, others are contested by both sexes, while some older sports remain for men only. Studies of media coverage of the Olympics consistently show differences in the ways in which women and men are described and the ways in which their performances are ...

We should always look for opportunities to grow and improve. Retrospectives and reflections allow you to **codify what you've learned from experience**, to document mistakes and avoid future ones, and to increase your potential to grow in the future. Agile methodologies typically include time for retrospectives throughout a project.
