In the English language, capitalization is used for names by which a god is known, including 'God'. Consequently, the capitalized form of god is not used for multiple gods or when used to refer to the generic idea of a deity. The English word God and its counterparts in other languages are normally used for any and all conceptions and, in spite of significant differences between religions, the ...

The Discworld gods are the fictional deities from Terry Pratchett's Discworld series of fantasy novels. The Discworld, being a flat disc supported on the backs of four elephants on top of a giant flying turtle, exists in a region of the universe where reality is somewhat less consistent than it appears in our own, more mundane corner of existence.. Because reality on the Disc is so fragile and ...
