Historical connections. Aristotelian philosophy and cosmology was influential in the Islamic world, where his ideas were taken up by the Falsafa school of philosophy throughout the later half of the first millennia AD. Of these, philosophers Averroes and Avicenna are especially notable. Averroes in particular wrote extensively about On The Heavens, trying for some time to reconcile the various ...

But you wouldn't know, Rechan thought, chilled. You'd be quite happy, either way. That's what you were carved for, to give your breath to Akanlam's babies, and even if you hadn't been born knowing it, everyone in our society has been telling you that for as long as you can remember. How much responsibility did people have for their carvings?
