Introduction to Knowledge Management - ASEAN Foundation

Knowledge management (KM) is the process of creating, sharing, using and managing the knowledge and information of an organisation. It refers to a multidisciplinary approach to achieving organisational objectives by making the best use of knowledge. An established discipline since 1991, KM includes courses taught in the fields of business administration, information systems, management ...

Knowledge management - Wikipedia

<http://www.fao.org/3/a-i3325e.pdf>. This module looks at soil management in the context of climate change. It begins with an overview of some of the principles of soil ...
