

list of busiest airports pdf

46 busiest US airports by total passenger traffic (2016) Listed according to data compiled by Airports Council International North America, and ranked according to total passengers during 2016.. All 46 airports on this list are also featured on the FAA list, but the order varies.

List of the busiest airports in the United States - Wikipedia

This is a list of the 100 busiest airports in Europe, ranked by total passengers per year, including both terminal and transit passengers. Data is for 2017 and is sourced individually for each airport and from a variety of sources, normally the national aviation authority statistics, or those of the airport operator.
