2 Good governance: legitimate, accountable, and effective ways of obtaining and using public power and resources in the pursuit of widely-accepted social goals Rule of law: the exercise of state power using, and guided by, published written standards that embody widely-supported social values, avoid particularism, and enjoy

Good Governance: Rule of Law, Transparency and Accountability

Corporate law (also known as business law or enterprise law or sometimes company law) is the body of law governing the rights, relations, and conduct of persons, companies, organizations and businesses. It refers to the legal practice relating to, or the theory of corporations. Corporate law often describes the law relating to matters which derive directly from the life-cycle of a corporation.

Corporate law - Wikipedia

Good governance is an indeterminate term used in the international development literature to describe how public institutions conduct public affairs and manage public resources. Governance is "the process of decision-making and the process by which decisions are implemented (or not implemented)". The term governance can apply to corporate, international, national, local governance or to the ...
