world history the human pdf

Muslim history involves the history of the Islamic faith as a religion and as a social institution. The history of Islam began in the Arabian Peninsula when the Islamic prophet Muhammad received the first revelation of the Quran in the 7th century in the cave of Hira in the month of Ramadan. According to tradition, he was supposedly commanded by Allah to convey this message to the people, and ...

Muslim world - Wikipedia

The world is the planet Earth and all life upon it, including human civilization. In a philosophical context, the "world" is the whole of the physical Universe, or an ontological world (the "world" of an individual). In a theological context, the world is the material or the profane sphere, as opposed to the celestial, spiritual, transcendent or sacred spheres.
