How to Write Radio Play Script Cues for Dialogue, Music

A play is a form of literature written by a playwright, usually consisting of dialogue and singing between characters, intended for theatrical performance rather than just reading. Plays are performed at a variety of levels, from Broadway, Off-Broadway, regional theater, to Community theatre, as well as university or school productions. There are rare dramatists, notably George Bernard Shaw, who ...

Writing is a medium of human communication that represents language and emotion with signs and symbols. In most languages, writing is a complement to speech or spoken language. Writing is not a language, but a tool used to make languages be read. Within a language system, writing relies on many of the same structures as speech, such as vocabulary, grammar, and semantics, with the added ...
