A writer is a person who uses written words in various styles and techniques to communicate their ideas. Writers produce various forms of literary art and creative writing such as novels, short stories, poetry, plays, screenplays, and essays as well as various reports and news articles that may be of interest to the public. Writers' texts are published across a range of media.

### **Writer - Wikipedia**

A freelancer or freelance worker, is a term commonly used for a person who is self-employed and is not necessarily committed to a particular employer long-term. Freelance workers are frequently represented by a company or a temporary agency that resells freelance labor to clients; others work independently or use professional associations or websites to get work.
