Nature writing is nonfiction or fiction prose or poetry about the natural environment. Nature writing encompasses a wide variety of works, ranging from those that place primary emphasis on natural history facts (such as field guides) to those in which philosophical interpretation predominate.

Nature writing - Wikipedia

The American Cancer Society has compiled an overview of how people have understood & described cancer throughout history, as well as treatment evolution.

The History of Cancer | First Cancer Diagnosis

African-American history is the part of American history that looks at the African-Americans or Black Americans in the United States.. Although previously marginalized, African-American history has gained ground in school and university curriculum and gained wider scholarly attention since the late 20th century. The black history that pre-dates the slave trade is rarely taught in schools and is ...

African-American history - Wikipedia

The American Documents for the Study of History AMDOCS is maintained by an unfunded group of volunteers dedicated to providing quality materials for free public access, and was founded in 1993.
