

wyoming 2017 master electrician pdf

An electrician is a tradesman specializing in electrical wiring of buildings, transmission lines, stationary machines, and related equipment. Electricians may be employed in the installation of new electrical components or the maintenance and repair of existing electrical infrastructure. Electricians may also specialize in wiring ships, airplanes, and other mobile platforms, as well as data ...

Electrician - Wikipedia

Continuing education (CE) rules highlights: Within the term and prior to the renewal of an electrician or power limited technician license, each holder of a license shall receive credit for instruction through one or more educational programs as required by this part.
