One thing blogging and good copywriting share is a conversational style, and that means it's fine to fracture the occasional rule of proper grammar in order to communicate effectively. Both bloggers and copywriters routinely end sentences with prepositions, dangle a modifier in a purely technical sense, or make liberal use of the ellipsis when an EM dash is the correct choice—all in order ...

I typically trash Clickbank as a low-quality trash bin for discount digital products worth very little money, and even less of your time. But the website is still alive and well, and as we see with products like Google Sniper 2.0 and Freedom Formula 8, people are still touting it as a great place to find things to promote for your online business.
