Ahh acne. We meet again, my nemesis! But this time, I've cracked the code, and I'm ready to share it with the world. In this next segment of Why Gut Health Matters, I'm going to address the link between gut health and skin disorders. My personal skin issue has always been acne, but that's not the only one affected by poor gut health.

Irritation in organisms. In higher organisms, an allergic response may be the cause of irritation. An allergen is defined distinctly from an irritant, however, as allergy requires a specific interaction with the immune system and is thus dependent on the (possibly unique) sensitivity of the organism involved while an irritant, classically, acts in a non-specific manner.
